## PIE WAGON WRECK DEMANDS WIRELESS STARTS UP TRADE

Dealers in Artificial Limbs, WASHINGTON, Feb. 8. - Following Horse Liniment and Auto Tires Get Busy.

AND ALL MAKE SALES.

So Does Man Who Saw It, and That's the Reason We Print This Story.

the Pennsylvania ferryboat Newark from study of the subject and has collected a mass of data. Jersey City to Cortland street at 10.20

the Jersey side a humane driver started its passage at this session. to lead a horse hitched to a ple wagon

wagon and replaced the stock of eata-bles—with a discount. For every rise bles—with a discount. For every pie demonstration of the value of the wireput back one pie was held out by the volunteers. A few boys worked so fast and capably that they grabbed piles of ples and cakes.

#### He Needed a Leg.

The man who stands aside and cheerwas very lame and walked with a cane. As the wagon was started for the boat a brisk lookin gstranger stepped up to \$1,000, according to the estimate made lame man and started a conversa- by Representative Burke.

"Excuse me for butting in," said the WELLMAN'S CHARGE OF "but I think I am in position a little business with you." always open for a business deal." the lame man. "What's your

cerfully, handing over a business

tion." The driver opened the package, dug out a handful of salve and began to annoint the horse's legs, while the drummer-like man wended his way to the cabin and lit a cigarette.

The observer, getting in out of the cold, found himself seated next to a couple of men wearing fur overcoats. They were discussing the upset of the ple wagen.

ple wagon.
"The horse is doomed." said one of them. 'Il have used horses for years in my business, but since I installed a couple of automobile delivery wagons I have decided to cut the horses out.
The autos are cheaper and more reliable."

Magistrate Moss dischanged the prishable." That's what they all say," declared

"That's what they all sav," declared the other man, enthusiastically. "Now I'm in a line that ought to interest you. I handle automobile tires."

Saying which he passed over a card. The other man said he really did need a couple of tires, and before the Newark bumped into the Cortlandt street slip the dead was closed.

When the ferry-boat had safely landed the observer, having become inoculated with the business instinct, hurried right up to the Pulitzer Building and sold his impressions to The Evening World.

## \$10,000 INSURANCE

His Bill for Safety of Ocean Be Held as Surety Damages for Persons Injured.

Congressman James Francis Burke, of gers involved in the operation of motor Pennsylvania, to require ocean-going vehicles, Assemblyman Marks, of New York, to-day introduced a bill requiring passenger vessels to be equipped with among other things that every person tee on Merchant Marine and Fisheries insured for at least \$10,000, available for all losses for accidents caused by the operating of the machine. The insurance company from which the policy is taken is made liable for all damages to property or persons injured, not including the occupants of the machine. Notice of the accident must be filed with the company within a month, and sel left Philadelphia Jan. 15 for Je A strictly business trip was that of gressman has been making an extensive the damage or injury was caused by an A. M. Jan. 26. the company must pay on proof that mobile, without regard to any negligence on the part of the party injured or the person operating the machine.

For the injury of one person in any one accident the insurance company is liable for \$5,000, and for injury to several persons \$10,000, but the recovery of such money does not take a
